Attention!..... Attention!

The Jubilee government has increased public debt by Ksh 860 billion in one year from Ksh 1.8 trillion to Ksh 2.6 trillion, through illegal payments of Agloleasing and corrupt loan agreements with China government and Eurobond. This has made the cost of living to go up to pay for this debt and it has taken millions of Kenyans back to poverty and deaths. Every day in our towns and villages is coffins and tears due to insecurity and poverty related illicit brews...

How hopeless is our generation?.... Lets organise and liberate our motherland
